*Superb and sustainable relationships require intention and attention.
The sponsor/sponsee relationship is no exception.*

Do you believe that finding a sponsor in UA is difficult?

Are you completely satisfied with your sponsor/sponsee relationship?

Are you ready to take your sponsorship game to the next level, whether you're a sponsor or a sponsee?

During this interactive event, we will:

- Challenge the notorious expression "It's difficult to find a sponsor in UA"
Uncover possibilities to create a serene process as you seek that person
- Create a vision for the kind of sponsor and/or sponsee that serves you best
- Discover how to create a superb Higher-Power directed connection with your sponsor and/or sponsee
- Explore the degree to which your attention to your sponsor/sponsee relationship aligns with your intention for and beliefs about the alliance
- Participate in a sponsor/sponsee meet and greet

This workshop is for you if:

- You are looking for a sponsor, whether or not you're a beginner/newcomer
- You already have a sponsor
- You currently sponsor or are getting ready to sponsor
